

The Voice of Addiction

1. What is the primary reason people go back to using?
2. How is alcohol described in the AA (Big Book)?
3. Does your disease in the beginning tell you that you don't have a problem?
4. What does your disease do while you are sober?
5. Who is the founder of AA?
6. What did the founder say he would change in the AA Big Book?
7. After being clean for a while does your disease tell you that you can handle it?
8. Who does the AA or what does AA suggest you find?
9. Should you stop working a program after 20 years sobriety?
10. Do you think your disease wants to destroy you?
